Another Good Well Assures

Gas For Clay City

Early Wednesday morning another fine gas well was drilled in at Virden on the Christian church lot. The capacity of this well has been estimated by several conservative gas men to exceed two million cubic feet daily. This well is the property of Messrs. W. E. Armour, O. L. Knight, and L. B. Rose, all of this city, and is their first location in the Virden field. Their success is very encouraging to the people of Clay City, as they are all local men, and are interested in seeing Clay City get the benefits of natural gas which justly belongs to her. They have promised that if the local people are interested enough to help lay the pipe line to Clay City, we shall have gas here this winter. We are informed that there are a number of our citizens interested and this will most likely be done. The well struck by Messrs. Armour, Knight and Rose is said by some to surpass in value the one first brought in by the Thirteen Oil & Gas Co., some few weeks ago. They will make another location shortly.

Coleman Hall expects to bring in Well No. 4 for the Thirteen Oil & Gas Co., the latter part of this week. To date they have two good wells, and are expecting their present location to develop another good one.

E. S. Land Dies of Pneumonia

Prof. S. E. Land, Superintendent of the Estill County Schools, died at Irvine last week after a few days illness of pneumonia. Prof. Land was principal of the Clay City school for one term a few years ago. He was serving his second term as Superintendent of the Estill County Schools. Prof. Land is survived by a widow and one small child.

Miss Abney Passes

Miss Lena Abney, aged 21 years, daughter of Mr. and Mrs. Sherman Abney, died at their home near the city Tuesday morning at one o'clock, after a lingering illness of seven months of tuberculosis. Burial Wednesday afternoon at the Barton Creek burial ground near Stanton.

Two More Cars

The Clay City Garage sold and delivered two new cars this week. One Overland touring to F. P. Newell and a Ford touring car to Floyd Helton.

Will Preach Sunday Night

Rev. L. E. Mann will preach Sunday night at the Christian church in this city.

Meat Market

I get a regular supply of fresh meats each Wednesday. My headquarters are at Robbins' store and I will make every reasonable effort to supply you with quality meats at a fair price. I am a home man, you need no introduction to me. O. H. Mackey.

Two Accidents in Same Family

Monday afternoon, little Stella Eaton, 10 year old daughter of Mr. and Mrs. Bert Eaton, fell from the branches of a tree top which had recently been cut and a snag cut a bad gash at the knee. Dr. Irvin was summoned and took three stitches to close the wound. The following day Louie, her eldest brother, while working at the old Day lumber mill here sustained a fall which dislocated a hip, but which didn't prove to be very serious. Both the patients are doing well and we expect to soon see them out again.

Bro. Shearer to Preach Again

Rev. W. S. Shearer, who conducted the two weeks Baptist revival here last month, has been engaged to hold services here again the third Sunday in this month. It is hoped that he can be secured to preach here regularly for the Baptists, as there is no other service held in Clay City on the third Sunday. Bro. Shearer is a minister of splendid ability and the church going people of Clay City should not fail to take advantage of every opportunity to hear him.

The Oneida Mountaineer

The Times has been favored with two issues of the Oneida Mountaineer and the editor enjoyed reading every line in them. This school is a most worthy institution, and with Mrs. Sylvia Russell as President and Mrs. Carrie Groves as matron and instructor of the sewing department, the keeping of the school up to its high standard and better a move upward, is a certainty.

Death of Infant Son

Willie, the 8-months-old son of Mr. and Mrs. Willie Griggs, died at the home of Mrs. Griggs' parents, Mr. and Mrs. E. P. Newell, last Thursday. The child was ill only a few days. He was buried in the Eaton graveyard Saturday.

Back from Sardis

W. D. McCoy, of Sardis, Miss., arrived here Tuesday morning for an extended visit with friends and relatives here and in the upper part of the county.

Mrs. J. G. Rogers and daughter, Mrs. Smethers, of Dayton, O., are in the city to spend a few days with old friends.

John Kirk left Monday morning for Jackson, where he will do some finishing work on a new Methodist church.

Used Cars for Sale

We have two Ford tourings, one Ford roadster and one Dodge touring car for sale. All second hand and in good condition. These cars are priced to go. Come in and look them over if you need a second hand car. If not we sell new ones.

STANTON.

Rev. Clay Rose is holding a revival meeting at the Court house.

Judge H. T. Derickson and wife were the guests of Duick Ewen last week.

The School Fair held here Saturday was reported a grand success. Everybody seemed to enjoy themselves.

Quite a few from here are attending the State Sunday School Convention which is being held at Winchester.

Atty Marion Atkinson's infant son died here yesterday. We all extend our sympathy to the bereaved father and mother.

W. M. Hardwick has moved to the D. R. Clark store building and Troy Martin and wife are living in his property.

Mayme D. Ewen has received a new line of women's fall and winter hats which she delights in showing every prospective customer.

Sunday was a big day for the Sunday schools in town, there being 186 at the United Presbyterian, and 118 at the Christian, making 306 present at both places.

Dr. J. E. Leming is erecting a new house on Court Street and Wm. Spencer a store building on Main Street. Stanton still continues to grow, we suppose on account of her school for we believe she has the best school of any town in the state of her size. Stanton Academy reports the best school in her history and also the new Graded and High School here. Come to Stanton and school your children.

At the State Normal

Enrollment at the Eastern Kentucky State Normal School shows a 30 percent increase in quantity and quality of the student body this year over any year before. Two-thirds of these students are high school graduates and will be in the college department of the institution. One-third will be in the secondary department. Many of the students are returning to complete the necessary work to secure their life diplomas, while others are here for the first time. These students have enrolled for one semester of twenty weeks, instead of one term of ten weeks as in former years. The elimination of the term plan saves two weeks, one week of enrollment at the beginning of the term and a week at the end of each term. The next semester will begin February 12, 1923. The majority of the present student body will remain for the entire year with many others coming in at the beginning of the next semester.

Miss Maude M. Knox is attending the Eastern State Normal at Richmond from Powell county.

Hershel Baker, of Akron, Ohio, is spending this week with former friends and relatives.

On the 11th day of this month Clark & Davis are to have a public sale at Union Hall post office. Be there and get some bargains.

The pie social that is to be held at the church next Saturday evening is for a good cause. So everybody come and enjoy yourselves.

Our public school carried off a few of the laurels at the County School Fair Saturday. Miss Fannie Barnett received first prize for best story written.

Chas. Welch and daughter, Miss Sylvia, are in attendance at the State Sunday School Convention being held at Winchester this week. They went as registered delegates from Vaughn's Mill school.

To the correspondents only. If I buy hogs in the rough at 10c per pound and sell them on the Cincinnati market at 10c per pound including all the by-products, can I make any money? I say I can make money "hand over fist" on the hogs. What do you say about it?

XENA

Herbert Proffitt made a flying trip to Winchester last week.

Miss Ollie McCoy, Elizabeth town, is visiting relatives here.

Mrs. Polly P. Wireman, Camp-ton, visited her daughter, Mrs. Proffitt, the last of the week.

Wm. Woodard and family and Lemon Wills and family, all of Means, are visitors here this week.

Misses Gola Rogers, Myrtle and Stella McCoy, Messrs Bruce McCoy, Isaac Proffitt and Oscar Brown all visited Miss Lizzie McCoy Sunday and went grape hunting.

We are heartily glad of our success at the County Fair held at Stanton Saturday, Sept. 30. Our school won the big flag for our March. Also a nice gold medal won by Herbert Proffitt for an oration. We certainly cannot give our excellent teacher too much praise for his talent.

Entire Family Had "Flu"

"Our Family Medicine"

"I WILL WRITE you in regard to Black-Draught liver medicine, as I have been using it more than 18 years," says a letter from Mr. S. F. Mintz, of R. F. D. 2, Leland, N. C. "I keep it in my home all the time, for it is mostly our family medicine. When we begin to feel feverish or sluggish, with trouble from the liver or stomach, we take a dose of Thedford's Black-Draught and the trouble is soon over. I mostly buy a dollar package at a time, and it has saved me many a bill."

Thedford's Black-Draught is a

purely vegetable remedy, acting on the liver, stomach and bowels. It is made from selected herbs and roots, and contains no calomel or other mineral drugs.

It has been found of great value, in indigestion, stomach trouble, sick headache, constipation, and lazy liver, helping to relieve the symptoms caused by these troubles, and to put the digestive system into proper working order.

Get a package of Black-Draught liver medicine from your druggist or dealer, today. Be sure to get the genuine—Thedford's.

Natural Gas Producer

Kentucky produced 1,977,000,000 cubic feet of natural gas in 1920, or .6 per cent of the total production of the country, and consumed 15,297,000,000 cubic feet, of 1.9 per cent of the total consumption, according to figures just compiled by the Geological Survey. But eleven states exceeded Kentucky in production and consumption of natural gas.

In total value of all natural gas consumed, Kentucky stood eighth among the States. The total value of all natural gas consumed in Kentucky in 1920 was \$4,865,000. The average price of natural gas in Kentucky for 1920 was 31.8 cents. There are 100,308 users of natural gas for domestic purposes in Kentucky, according to 1920 figures, who consumed 9,681,000,000 cubic feet of a total value of \$3,553,000, or an average price of 37.3 cents. Kentucky has 125 consumers of natural gas for industrial purposes, using 5,766,000,000 cubic feet of a total value of \$1,312,000, and an average price of 22.8 cents.
